

NEWSIES MEDLEY

The musical "Newsies" has some of the most inspiring songs ever; Brooklyn's Here, Carrying the Banner, King of New York, Santa Fe, Seize the Day, and Something to Believe in.

Set during the New York newsboy strike of 1899 the newsboys dug deep and risked all to demand they be treated respectfully. This kind of passion touches the soul. Singing "Seize the day" will give you (and the audience) chills! This class takes a medley of these harmony rich songs and performs them in costume with intricate dance routines. You'll wear a body mic as you perform. We spend class time learning the harmonies and dances. While the medley is mostly full group (how can you sing those harmonies with just one voice?) There are some dramatic solo moments.

Don't miss out on performing in one of the best song medleys ever. Join us today!

Ages 12 - 19.
